Maurice Philippe van de Maele

Kayak instructor / 皮划艇教练

EN Maurice Philippe was lucky to be born in world's southernmost city, Puerto Williams, where he developed his passion for navigation and mountain activities. Today, with 29 years, he is an Expeditions and Ecotourism engineer working for different

companies that use his skills on leading and organizing excursions throughout the Chilean Fjords and the highest summits of Darwin's Range, in Tierra del Fuego. Maurice Philippe is also starting his Cape Horn Mountain & Kayak School next year to

approach wilderness values to local student's curriculum and prepare, as well, the future outdoor guides of Southern Patagonia. Maurice Philippe has also lead kayak expeditions in western Greenland and he is a trained rescue diver and ice climber.

CHN 菲利普 (Philippe) 有幸出生在世界最南的城市威廉斯港 (Puerto Williams), 他在那里培养了对于航海和爬山活动的激情。现在, 29岁的他是一名探险队员, 也是一名生态旅游工程师。

他有出色的领导和组织浏览项目的技能, 经常在一些智利峡湾和达尔文地 (Darwin's Range, Tierra del Fuego) 的最高点为很多不同的公司效力。他明年将要开始他的合恩角山和皮划艇的学习, 为提高

野外技能, 也为将来成为南巴塔哥尼亚户外向导作好准备。他在格陵兰岛西部还带领过皮划艇探险队。而且, 他还是一名受过训练的救援潜水员和冰坡攀登员。
