From London\*

**MS ROALD AMUNDSEN**

Explore aboard the world's first  
hybrid powered expedition ship

*We combine 128 years of experience sailing polar waters with the world's greenest ships to give you an extraordinary adventure.*

# TRAVEL BEYOND THE ORDINARY

## **Revolutionise How You Explore**

MS Roald Amundsen is one of the world's first hybrid powered expedition ships. Come aboard our state-of-the-art ship to experience premium travel adventures.

## **Your Experts on Board**

Expand your horizons with our Expedition Teams, who are experts in subjects like

science, history, geography, biology, geology, photography and culture.

## **Sail with the Most Experienced Crews**

Our captains are superbly skilled navigators in any weather, including the most extreme conditions. This allows us to explore deeper and bring you closer to the most remote places on our planet.

© ANDREA KLAUSSNER

## **Safer, Seamless Landings**

Our tailor-made landing solution from the lower decks makes it easy to get in and out of our safe and comfortable explorer boats.

## **Leaving a Smaller Footprint**

We sail in some of the most pristine environments in the world and are committed to preserving them by running responsible and sustainable operations, enhancing our destinations, and through environmental initiatives.

# **A NEW ERA IN EXPEDITION TRAVEL**

# Explore Alaska

Explore a true frontier with a rich sense of adventure. Discover unique native culture, amazing natural beauty, and wildlife such as bears, whales, caribou and eagles - one of our advanced hybrid powered expedition ships.

Our expedition takes you to places as far away as you can get. We explore the wild frontier to bring you to remote beauty and colourful small communities.

On these exciting voyages, you can get close to diverse nature and scenic highlights, and learn about historic events, local people & culture.

Our Expedition Team will make sure you get the chance to learn about the region's colourful history, geology, marine biology, delightful food traditions and fascinating wildlife every day of your expedition.

## Get Close to Nature on your Expedition to Cruise.

Keep your eyes peeled for sightings of brown, black, Grizzly, and polar bears that call these areas home. In addition, depending on your itinerary and departure date, expect to visit fjords, volcanoes, glaciers, icebergs, virgin forests and towering mountain ranges.
